The concert dress policy gives the performing ensembles a professional and uniformed look for public performances.

The concert dress described below will be required at our fall concert.

Any solid black **dress** shoe will be acceptable to wear with the tuxedo. The shirt may have pleats or some common tuxedo design. The collar may be a “cut away” design, where the band of the bow tie is exposed around the neck. White dress shirts not intended as formal wear and banded collared shirts are not appropriate.
