

SAPA Program Book
For Ola Band students/parents only

Purchase space in the SAPA program booklet to help showcase your child's band career and their talent/dedication to the Ola Band Program. This program booklet will be seen by hundreds of spectators, participants, and directors at the SAPA Winterguard Show. This book captures images of performers, reports information about the event and activities, and serves as a timetable for the competition weekend. The SAPA Winterguard show will be held March 11 and 12, 2017 at Ola High School. With over 45 competing units and two days of competition, we are expecting between two to three thousand spectators, participants, and directors. This will be a fun way to recognize your child's talent and support the Marching Mustangs at a reduced cost, so make sure to get your recognitions and information in before March 3, 2017!

Name of Student/Section/ Group _____
