

CORPORATE SPONSORSHIP

When our community comes together, we can do great things!

Ola Bands Stakeholders,

Do you remember your local band on a Friday night—the energy, the pride, the memories? For many, band represents far more than music. It is a place where students learn discipline, teamwork, leadership, and commitment while creating experiences that last a lifetime.

The Ola High School Band Program continues this tradition by serving students across marching band, concert ensembles, indoor percussion, and winter guard. Our parent booster organization works tirelessly to support these programs by coordinating volunteers, securing resources, and ensuring that our students have the tools they need to succeed. However, the continued growth and quality of our program depends heavily on the support of our broader community.

The cost of operating student activity programs has risen significantly in recent years. While we are committed to being fiscally responsible and minimizing costs wherever possible, community partnerships remain essential to ensuring that every student has the opportunity to participate—regardless of financial circumstances.

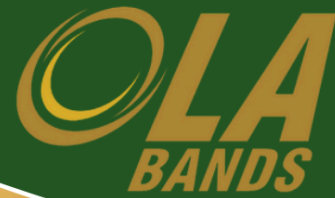

Corporate and community sponsorships directly support critical needs such as student financial assistance, transportation, instruments, uniforms, instructional materials, music and drill design, and specialized staff that support our students' development. These contributions help remove barriers so that all students can experience the educational and personal benefits that band provides.

Sponsorships are available at a variety of levels and can be tailored to meet the goals of your business or organization. In return, sponsors receive recognition opportunities throughout the year, including visibility at performances and events, digital promotions, and other acknowledgments aligned with the level of support.

We are deeply grateful for your consideration and support, and we look forward to continuing to serve our students and community for years to come.

Mike Bearden

Director of Bands
