

26-27 Formal Concert Attire Requirements

ALL ENSEMBLES

ALL PAYMENTS MAY BE MADE ON THE BAND WEBSITE

CONCERT DRESS:

The concert dress requirement gives the performing ensembles a professional and uniform look for public performances. Students who will perform in a dress in the Ola High School Band Program will be required to purchase the required formal concert dress. Dresses differ greatly in color, design, and length. To establish uniformity, the band program will have students sized and then order the dress for those who need one. Students will be required to pay for the dress by the given date and prior to being issued. This is also a chance for returning members to purchase a new dress if needed. This is the same dress that has been used for many years by the Fine Arts Department here at Ola High School. We are also offering an option for ladies to purchase a dress with the same neckline, but a full skirt. Either option will be available to order. The price difference is noted below.

Please know that the dresses will come in un-hemmed. It will be your responsibility to get the dress hemmed to the proper length once it comes in. The required length is at the ankle.

Old Dress: \$75

New Dress with Full Skirt: \$90

CONCERT TUX:

The concert tux requirement gives the performing ensembles a professional and uniform look for public performances. Students who will perform in a tuxedo in the Ola High School Band Program will be required to purchase the designated formal concert tux. Tuxes differ greatly in color, design, and length. To establish uniformity, the band program will have students sized and then order the tux for those who need one. Students will be required to pay for the tux by the given date and prior to them being issued. This is also a chance for returning members to purchase a new tux as separate parts if needed. For your convenience, replacement part prices are included below. This is the same tux, cummerbun, and bow tie that has been used for many years by the Fine Arts Department here at Ola High School. Band students who are also in chorus and orchestra must have the cummerbun and bowtie combo or vest and long tie.

Please know that the tux pants will come in un-hemmed. It will be your responsibility to get the pants hemmed to the proper length once it comes in.
