Dear Ola Bands Stakeholders and Community Members,

Do you remember your local band on a Friday night—the excitement in the stands, the sound of the fight song, and the pride of seeing students represent their school and community?

For our students, band is about far more than music. It is a place to belong, grow, and discover what they are capable of accomplishing. Through music, students develop discipline, confidence, teamwork, leadership, creativity, and a commitment to something larger than themselves.

At Ola High School, we are proud to provide students with a wide variety of opportunities through three concert ensembles, the award-winning Ola Marching Mustangs, Winterguard, Indoor Percussion, Concert Percussion Ensemble, Jazz Band, and small ensembles. Our students also regularly represent Ola High School at District and All-State Honor Band events, showcasing their musicianship while representing our school and community.

As our program continues to grow, we are eager to create even more opportunities for students to perform, lead, and express themselves through music. Providing these experiences, however, requires significant resources. Instruments, equipment, uniforms, transportation, music, instructional materials, show design, and specialized instruction all contribute to providing our students with a high-quality and accessible band experience.

This is where the support of our community makes a tremendous difference.

Corporate and community sponsorships help provide student financial assistance, purchase and maintain instruments and equipment, fund transportation and instructional resources, and support the continued growth of our ensembles. Most importantly, these partnerships help ensure that financial circumstances do not prevent a student from experiencing everything our program has to offer.

When you sponsor Ola Bands, you are doing more than supporting a performance—you are investing in students. You are helping provide young people with a place to belong, opportunities to pursue excellence, and experiences that will impact them long after they leave Ola High School.

Sponsorship opportunities are available at a variety of levels, with recognition opportunities for your business or organization throughout the year. We invite you to partner with us as we continue building a band program that proudly serves our students, our school, and the greater Ola community.

Thank you for considering an investment in the students of the Ola High School Band Program. Your partnership helps us continue our traditions while creating new opportunities for the next generation of Ola Bands students.

Go Mustangs!

SPONSOR A MEAL

Sponsor a meal for our performers during Band Camp, football game days, competitions, or other special events throughout the year. These long days often begin early and end late, making a shared meal an important part of keeping our students energized and performance-ready. Businesses are welcome to serve the meal and meet our performers, directors, and volunteers, or simply provide a meal for our team to pick up. Either way, your generosity makes a meaningful impact and helps fuel the success of the Ola Bands program.

HOST A SPIRIT NIGHT

Hosting a Spirit Night is a great way to support the Ola Bands program while welcoming band families and supporters to your business. During a designated event, a portion of sales is donated back to the program, helping fund instruments, uniforms, travel, equipment, and educational opportunities for our performers. We'll promote your Spirit Night through our website, social media, and band communications to help make it a successful partnership for everyone.
