

# Be a Donor/Sponsor of the Ola Band

Dear Alumni, Business Owner, Family Member, and/or Community Supporter,

Do you remember when you were in the band, or do you remember hearing your local band on a Friday night? Of course you do! Band brings back so many fond memories, from band camp, hanging with friends, competitions, parades, and more! Our boosters are hard at work making sure we have the items that we need for band camp, volunteers, and more so that our students can continue to have the amazing experience that countless others have had in the past.

We need your help as well! In addition to band camp, we rely on local business, community, alumni, and individual sponsors to help the band pay for additional items such as helping kids who are struggling to pay for their fees because of hardship, purchase new instruments for our growing band program, uniforms, and more. With the pandemic and its financial strain, we could use your help more than ever!

What are we raising money for this season? As you know, times are tough for many of our families. We want to make sure all our hard working students are able to participate in this one in a lifetime opportunity. In addition, we are saving up to purchase updated scaffolding for our Drum Majors.

Finally, we are raising money to send our Band and Colorguard to Washington, D.C. to march in the National Cherry Blossom Parade in April 2024. Our students are working hard to compete nationally, but we need to raise the money for hotel and charter bus costs to be able to afford to send them to experiences like this.
